To our valued Customers and Partners:

Sigma-V, 200 V – Closed of Mass Production

Unfortunately, we must inform you, that the *Sigma-V* series servosystem (200 V Versions only) production status changes

from “Mass Production”
to “Closed of Mass Production”,

due to the availability of *Sigma-X* series (200 V Versions) as well as *Sigma-7* series as successor of *Sigma-V* in all global regions.

This means:

- The *Sigma-V* 200 V series will still be available but is no longer subject to mass production.
- As of **September 1st, 2025**, the prices for Sigma-V 200 V products will increase significantly.

The following items will be affected:
